TECEloft set, toilet ceramic with cyclon flush, including seat/lid

Article Number: 9700224

Description:

TECEloft set, toilet ceramic with cyclon flush and toilet seat in a classic high design

Applications:

TECEloft wall hung WC pans are designed to fit onto WC frames, fitted into en-suites, cloakrooms and other bathroom projects where wall hung shower WC pans are required. Suitable for:

- Small and large bathrooms, where space is at a premium, while ease of cleaning and sleek design is a priority.
- All major manufacturers WC frames with 180mm pan fixing centres.
- Premium design-led bathroom installations, where aesthetic considerations require sleek product solutions.
- Can be fitted for comfort height installations providing the frame can be adjusted to suit to finish.
- Can be used with ‘grey’ rainwater recycling systems when adequately filtered.

Product characteristics and key features:

Set consists of:

- TECEloft toilet ceramic with cyclon flush
- TECEloft toilet seat/lid in classic high-end design
- Concealed wall mountings
- Assembly instructions

Toilet ceramic features:

- Wall-mounted washdown toilet
- Flush water requirement: suitable for flush water volumes of 4 and 2 litres
- Rimless, therefore no hidden areas for deposits and dirt
- Cyclon flush technology (thorough and quiet flushing thanks to ring-shaped water flow inside the ceramic)
- Compact design – projection 515 mm
- Concealed wall mounting and concealed water connection
- Material: Sanitary ceramic, colour white
- Approved according to EN 997 type 1, subsections 6, 5 and 4
- Dimensions (W x H x D): 355 x 313 x 515 mm

Toilet seat features:

- Lid encloses seat
- Quick installation thanks to simple clip-on design
- Easy to clean, complete seat and lid unit removable
- Stainless steel hinges with soft-close mechanism
- Made of torsion-resistant thermoset plastic, colour: white
- Approved in accordance with DIN 19516
